Dear Principal,

*I would like to congratulate you and your colleagues for being awarded the **eTwinning School Label 2020-2021**.*

You have received this prestigious recognition because you have shown consistent and clear commitment to the true meaning of the eTwinning action. Under your leadership, your school has used digital and creative tools to improve the educational outcomes of your students and you have engaged in fruitful cooperation with other eTwinning schools.

Moreover, this award recognises your efforts in promoting the continuous professional development of your staff so they can improve and update their skills for the benefit of the students.

Additionally, because of working with schools and communities across Europe, you contribute to the sense of a united European community. I would also like to congratulate you on this success.

Finally, I would request you to act as an eTwinning role model and support other schools in their attempts to take part in this important project.

Once again, congratulations on this achievement.

Yours sincerely,

Mariya Gabriel
